

Singapore Medical Journal Volume 45 2004 Reviewers' List

The Editor and Editorial Board would like to take this opportunity to recognise and thank all the reviewers who provided their expertise, effort and time in evaluating manuscripts submitted to the Singapore Medical Journal. The individuals listed below played a vital role in helping to guide the quality of articles published in our journal. We look forward to your continuing support. We have made an effort to include all who have completed reviews over the past year. However, if you find your name missing, please accept our apologies in advance and inform us of any omission as soon as possible.
