

THE SINGAPORE MEDICAL JOURNAL REVIEWER RECOGNITION AWARDS

The successful publication of a peer-reviewed journal such as the *Singapore Medical Journal* (SMJ) requires substantial contribution of time and effort by numerous reviewers. Our dedicated Editorial Board members are already recognised each month on the SMJ masthead. I am pleased to specially highlight an additional group of individuals who will now receive well-deserved credit for the high quality of their timely, detailed, and scholarly reviews, i.e. the recipients of the 2009 & 2010 SMJ Reviewer Recognition Awards. Each award recipient will receive a Certificate of Reviewing with Distinction and a letter of congratulations, underscoring the importance of reviewing as an academic and professional activity. Note that the individuals listed on the 2009/2010 masthead of the SMJ were not eligible for these awards.
